*Dear Guests,*

Thank you for your entries! SV Neptun Neheim-Hüsten welcomes you to „46. Internationales Pfingstschwimmfest“.

On Friday, just after arrival, please come to the office (located at the entrance) to pick up an envelope with a printed program, entrance tickets for the welcome ceremony with the mayor on Friday 8pm, entry-cards for relays and further information for your club.

**Please remember to bring the challenge cups which you won last year and hand them back to the office close to the entrance. Every cup awarded on Sunday (Morning Pint) is a challenge cup.**

In the following we collected some information for you. If you read it carefully you can help us to have a good and fluent organization and competition.

For all experienced guests: Please note at least the changes in the infrastructure.

## APPROACH

The pool is located in “Jahnallee” in Arnsberg-Neheim, Germany (Tel.: 0049 2932 7650). After leaving the motorway A46 to exit number 62 “Neheim” you have to turn right to “Im Ohl”. You will see some red signs “Neptun Schwimmfest”. Just follow them. If you need further information on the approach to your camping ground/ the pool please ask us ([inter@svneptun.org](mailto:inter@svneptun.org)).

**Camping ground 1&2** are for clubs with cars and caravans, tents are also possible. Keep going on Jahnallee along the train tracks. Ground 2 is around the festive tent. Access to ground 1 is only possible if you have a parking permit. You have to register before the competition.

**Camping ground 3** is the meadow behind the pool. There is no direct car access and only tents are possible. You can use the main entrance to reach the meadow. There is also a back entrance.

*Have pleasant journey!*

## PARKING

Parking in Jahnallee (street to the pool) is absolutely prohibited!  
We have to keep an emergency way to the pool. There are more parking lots at the Dorint hotel and mini golf course. Follow the signs to DORINT.

**There is no parking under the bridge anymore, only for people who really need it. You need a permission. The street in front of the pool entrance is locked for traffic.**

The **new main entrance** is the gate at the side of the pool, next to the festive tent at Camping ground 2. Close to the gate you can also find a space for cars to unload and load after the competition. Please hurry up when you unload the cars!  
Next to the festive tent, on the left side, is a way going up. It is a one-way street which goes up to **new parking lots** (on the left side). From the parking lot it takes around three minutes to the pool. If you continue on that way you will end up at the Dorint hotel.
